Commercial Prices EUR, excl. VAT (tax)

Document: 0-19Dec025ks(CommercialPrices_E_EUR).pdf

Effective: 1 Jan. 2026

With the publication of this price list, all previous price lists lose their validity. Individual price agreements and framework contracts remain unaffected. Special orders warrant adjusted prices, such as double laser marking or database delivery. More [upon request](#).

11. Customer-Specific Case

CRYPTO-BOX® metal case with customer-specific logo

Description	SKU (Product ID)	€/unit
CRYPTO-BOX metal case with customer-specific logo*	CUC-U (USB-A) or CUC-C (USB-C)	1.50
CRYPTO-BOX metal case with customer-specific logo – setup fee per production batch (minimum order quantity: 50 units)*	CUC-SF	150.00

* The following conditions apply:

One-time fee for design and creation of the casting mould: 2995.00 €

Case production: 1.50 € per case. Minimum quantity for each case production batch: 2000 pieces. The cases are kept with us for three years and can be re-ordered at any time. After the three years, a storage fee is due. The price of the cases is subtracted from the price of the CRYPTO-BOX with every order. If an additional batch of cases is required, another 495.00 € set-up fee will apply.

IMPORTANT: The circuit board (PCB) of the CRYPTO-BOX may be subject to changes that may cause incompatibility between the customer-specific cases and new PCBs. We guarantee to reserve at least 1000 matching PCBs for the customer-specific cases for three years after the enclosure is manufactured.
